Picking up the pieces after the chilling events of the previous year isn't easy, but the Graces are determined to do it. Wolf is back after a mysterious disappearance, and everyone's eager to return to normal. Except for Summer, the youngest Grace. Summer has a knack for discovering the truth—and something is troubling her. After a trail of clues leads her to what could be the key to both her family's mysterious past and the secret of Wolf, she's determined to vanquish yet another curse. But exposing secrets is a dangerous game, and it's not one Summer can win alone.

At Summer's behest, the coven comes back together, reluctantly drawing their erstwhile friend River back into the fold. But Wolf's behavior becomes unpredictable even as Fenrin's strength fades, and Summer must ask herself whether the friend she so loves is also planning her family's ultimate, cursed demise.

This riveting sequel to *The Graces* is saturated with magic, the destructive cost of power, the complications of family, and the nature of forgiveness.
